

## How to install ReadCloud to access eBooks

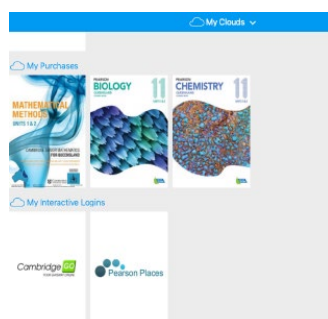

1. Go to the ReadCloud download page: <https://readcloud.com/downloads/>
2. Download the App. You can have ReadCloud on up to 6 devices on any operation system listed below:
  - OSX for Mac or iOS for iPad and iPhone
  - Windows and Android
3. Once you have installed ReadCloud, open the App, enter your school email and click **Next**.

4. Click **Login with Office 365** and enter your School Email password.

5. Your password will be saved in the App and you will not need to enter it again.
6. All of your eBooks and access to Interactive sites will be shown in tiles as per below.
